EDUCATION SPONSORSHIP PROGRAMME ANNUAL PROGRESS REPORT

Name of sponsor:

Student Ref. No.....

Dear Sir / Madam,

Several schools in Sri Lanka were badly affected in the recent floods and landslides that occurred on the 28th of November 2025. Consequently, the Education Department has decided not to hold the year-end examinations as previously scheduled. As such, we will not be able to indicate the marks obtained by students in this report. However, we have requested the school authority/class teacher to certify that the student has been promoted to the next grade.

We trust the information below will give you an understanding of the progress made by this student in 2025. Please contact the undersigned should you need further information on this student.

On behalf of all students, I thank you for choosing CandleAid Lanka as your target charity to uplift the economically disadvantaged students in our country. The confidence and trust placed in us is greatly appreciated.
