Through its network of volunteer coordinators and referrals from local community leaders, religious institutions, and schools, CandleAid has to date reached affected families in the following areas: **Bandarawela, Anuradhapura, Medawachchiya, Chilaw, Kurunegala (Mahawa, Hiriya, and Giriulla), Kandy, Mahavilachchiya, Puttalam, Haputale, Mahiyangana, Ampara, Matale, Badulla, Kegalle, Gampaha and Colombo.**

### Bandarawela

Approximately 145 students studying at Rajakadaluwa Junior College in the Arachchikattuwa area in Puttalam District, lost their homes including their belongings and schoolbooks. **Through Rev. Fr. **Puttalam** - With a donation from **Mr Mahadevan channelled through our longstanding sponsor, Mr. Suren Swaminathan**, dry rations and other essential items were provided to 30 affected families in Gangewadiya in Eluwankulama. ## Kandy

**More than 200 families in Kandy** were identified by our Coordinator, **Fr. Nadeep Sanjeewa**, in the remote areas of Ankumbura and Sarasavigama, which were severely affected by landslides. The affected communities consist primarily of daily wage earners engaged in tea plucking, whose livelihoods have been significantly disrupted. Dry ration packs were provided in bulk to support these families. The following excerpt is taken from Fr. Nadeep Sanjeewa's field report:

*"Today we visited Sarasavigama in Kandy, the site of massive landslides. Many houses have been destroyed, and people are still buried under the enormous debris. The area is unfortunately full of the smell of corpses. We were able to provide 45 provisions to the affected residents."*

## Kurunegala

Our assistance was also extended to several individuals affected in **Mawanella, Seeduwa, Pelawatte, and Badulla** through the provision of dry rations to those affected by the cyclone. This assistance is ongoing.

Mr. Kumarasiri is an intern at SDB Bank, Mawanella. His residence was severely affected by a landslide. According to the information received, both his house and land are now buried under more than **20 metres** of soil and mud, and the area has been officially designated as a high-risk zone, rendering it unsuitable for future residential use. He lost all his belongings and CandleAid provided him with clothing to enable him to continue his work at the Bank.

Chanaka Deshapriya of Gallanamulla, Pelawatte, received a bag of dry rations from CandleAid. His family was asked to evacuate their home as it was unsafe to live in, and they are now residing in temporary accommodation.

Referred by Fr. Noel Dias, CandleAid assisted Mr. Nihal Joseph of Seeduwa with a bag of dry rations after his house was damaged by the cyclone.

Osanda Gimsara from Badulla, a beneficiary under our Health Programme, was affected when his family was stranded due to a landslide caused by the cyclone. Access roads were blocked, confining the family to their home. CandleAid provided a bag of dry rations as his parents were unable to find daily labour due to the conditions in the area.

The house of Hettiarachchige Kanthi from Mathugama was totally destroyed due to a landslide and she lost all her belongings. She currently has no place to live and is taking refuge in a neighbouring house. CandleAid provided a bag of dry rations to help her survive for a few days until alternative arrangements can be made.
